b) "Customer" shall mean an individual or entity validly purchasing and/or obtaining a license on the Product within the framework of its professional or business activity.

c) "Documents" shall include but not being limited to the information contained in LIBELIUM's Websites, User's Handbooks, Technical Guides and Training materials.

d) "Intellectual Property Rights" shall include but not to be limited to proprietary rights, know-how, software, trademarks, slogans, translations, utility models, trade names, domain-names, designs and models and any applications thereof as well as copyrights and related rights, trade secrets and confidential information, concerning the Product(s), the Documents, the Training materials and contents.

e) "OEM Customer" shall mean a company or entity that purchases the Product with the purpose of embedding the Product(s) into other product(s) or reselling the Product(s) under a different name and label.

g) "Training" shall mean any training connected to the Products offered by LIBELIUM to Customers and OEM Customers in consideration for a fee.

h) "Users" shall mean anyone gaining access to LIBELIUM's websites.

2. ACCEPTANCE

These B2B T&C shall apply to all offers and sales made by LIBELIUM to Customers and OEM Customers. Consumers should refer to LIBELIUM's B2C T&C (www.libelium.com/legal).

Specific terms and conditions agreed upon for a particular order shall not bind LIBELIUM for future orders. A purchase order submitted to LIBELIUM or the reception of Product(s) supplied by LIBELIUM implies express acceptance of these B2B T&C upon which only specific selling terms agreed upon by LIBELIUM and Customer/OEM Customer on a case by case basis, will prevail.

3. OFFERS

Unless expressly stated otherwise in a specific offer, LIBELIUM's offers shall be valid for thirty (30) calendar days as from their printed date, after which they will no longer bind LIBELIUM.

4. DISCONTINUANCE OF SUPPLY

LIBELIUM shall be entitled at any time to discontinue the production, sale or distribution of any of its Product(s), to change the design, structure, or functionality of any of its Product(s) and any part thereof, to amend the Product(s) and to change its service, warranty or other policies. LIBELIUM engages to support discontinued Product(s) with parts availability and bug fixes as long as such stocks are not sold out.

5. PRICES

Unless otherwise established in writing, prices set forth in LIBELIUM's price lists and offers shall be deemed as expressed in Euro currency and shall be considered FCA Libelium's premises in Zaragoza, Spain (Incoterms® 2010), exclusive of VAT or any other applicable tax or duty.

LIBELIUM shall be entitled to modify its price list at any time without prior notice and therefore, Customer/OEM Customer undertakes to ask for an offer for every order.

A price list disclosed by LIBELIUM supersedes and makes unenforceable any preceding one as from the date of its coming into force. The valid price list shall be the one in force at the time of placing an order.

Unless a different provision is included in LIBELIUM's offer, prices do not include:

a) The cost of obtaining any technical certificate required by any authority to distribute the Products in the country of destination, nor any document requested for customs clearance;

b) Any extra costs arising out of, but not limited to, delay during customs clearance in the importing country, whether or not customs clearance is LIBELIUM's duty.

6. PAYMENT

Unless otherwise expressly agreed upon in writing, payment terms shall be a down payment for the full amount of the order in Euro currency. Should any credit be granted, any payment delay will increase the debt with the delay interest foreseen under Spanish Act 3/2004 of 29th December, at the then current interest rate.

Any costs and expenses borne by LIBELIUM to collect payments due and accrued shall be reimbursed by Customer/OEM Customer.

7. RETENTION OF TITLE

LIBELIUM shall retain title of Product(s) until complete payment of price has been accomplished by Customer/OEM Customer and shall therefore be entitled to exercise any action to protect its rights, even if Product(s) have been processed by OEM Customers or are in the possession of any third party.

8. ORDERS

Except for online orders, all orders shall be forwarded to LIBELIUM in writing, email serving to this purpose. LIBELIUM shall issue a pro forma invoice which shall be signed and returned in acceptance by Customer/OEM Customer.

LIBELIUM may reject or cancel any pending order, whenever there are pending payments from Customer/OEM Customer.

Orders cannot be cancelled after shipment of Product(s). Neither can they be cancelled in case of non-stock Product(s), after initiation of the raw materials supply or the manufacturing processes, nor in case of products not manufactured by LIBELIUM which have to be bought from third suppliers.

9. DELIVERY

Unless expressly agreed otherwise, delivery terms shall be FCA LIBELIUM's premises in Zaragoza, Spain (Incoterms® 2010). Should Customer/OEM Customer be interested in any other delivery term, it shall inform LIBELIUM thereof at the time of placing its order, in order for LIBELIUM to submit a new quotation.

The Incoterms rule expressed in LIBELIUM's offer shall not be waived by the fact that Products are dispatched with shipping costs prepaid, at Customer's/OEM Customer's prior request. LIBELIUM's invoice shall break down any shipping or extra costs prepaid, taking into account that LIBELIUM shall not assume any liability concerning customs clearance requirements in the country of destination.

Delivery time shall be the one disclosed in LIBELIUM's offer and shall start the day after full payment is made by Customer/OEM Customer or, should any credit be granted by LIBELIUM, the day after a down-payment is made by Customer/OEM Customer in the amount agreed upon with LIBELIUM.

Under no circumstance shall LIBELIUM be considered responsible for any delay in delivery due to the carrier's or third parties' failure.

LIBELIUM shall inform Customer/OEM Customer as soon as possible about any circumstance beyond its responsibility and preventing the agreed delivery time from being met, stating the reasons of the delay, in which case Customer/OEM Customer accepts partial shipments or to agree on a new delivery time, which shall not imply Customer's/OEM Customer's right to cancel the order or to claim for any compensation.

10. SHIPPING COSTS

Product(s) shipped by LIBELIUM do not include any shipping insurance; any Customer interested in taking out said insurance must expressly inform LIBELIUM thereof in writing at the time of submitting an order, indicating the kind of coverage desired. The cost of the shipping insurance shall be invoiced by LIBELIUM as a part of the shipping costs.

11. WARRANTY

11.1. Warranty and Warranty Period

LIBELIUM guarantees that its Products comply with the specifications in its offers for a period of one (1) year from the date of delivery, shipping document giving evidence (“the Warranty Period”), provided that they are handled, shipped, stored, operated, used and maintained according to the instructions in LIBELIUM User’s Handbooks. Therefore, LIBELIUM assumes liability only for non-conformities caused by actions or negligence attributable to LIBELIUM before the Products were delivered to the first carrier.

Customer/OEM Customer shall check deliveries immediately after reception at destination and shall inform LIBELIUM in writing within seven (7) days about any apparent non-conformity. After such term, Customer/OEM Customer shall not be entitled to bring any claim regarding quantitative shortcomings or apparent non-conformities which should have been noticed during unboxing/unpacking, and LIBELIUM shall not be obliged to accept return of such Products. Claims for hidden defects or qualitative non-conformities must reach LIBELIUM in writing within thirty (30) days after Customer/OEM Customer learned of the non-conformity, and in any event, within the Warranty Period.

11.2. Warranty Procedure

The following procedure shall apply to any non-conformity notified to LIBELIUM within the Warranty Period:

a) Customer/OEM Customer shall report any alleged non-conformity to LIBELIUM’s After Sales Service through the website: <http://www.libelium.com/support>, including a detailed list of all alleged non-conformities;

b) LIBELIUM shall count on five (5) banking days to reply, either by admitting the claim, or by rejecting it;

c) If the claim is admitted, LIBELIUM shall notify its acceptance to Customer/OEM Customer and shall choose, at its discretion, either to replace or amend the non-conforming Product at no additional cost to Customer/OEM Customer. The Warranty Period of any replacing Product shall be the same remaining for the replaced Product;

d) Lack of answer by LIBELIUM within the term expressed above shall be deemed as a rejection of Customer/OEM Customer’s claim. Any cost resulting from analysis or essays to ascertain if non-conformity exists, shall be paid by LIBELIUM should the result show Product non-conformity and by Customer/OEM Customer in case they are conforming;

e) Replacement Products may be either new or equivalent in performance to new. LIBELIUM does not warrant: (i) that the components in any replacement Product come from the same supplier or are exactly the same as in the replaced Product; nor (ii) that the operation of Products will be uninterrupted or error free. Products may contain remanufactured parts equivalent to new in performance or may have been subject to incidental use.

11.3. Shipping and examination costs under the Warranty

Repair service can be obtained by sending the non-conforming Product to LIBELIUM (shipping costs pre-paid), only after a Return Merchandise Authorization (RMA) number is obtained from LIBELIUM’s After Sales Service, according to the instructions in our website. Some of our Products are protected with a safety seal and by removing this seal, Customer/OEM Customer shall be waiving this Warranty.

If the Product is found upon examination by LIBELIUM to be defective, LIBELIUM shall bear shipping costs incurred in returning the Product to Customer/OEM Customer, as well as all costs involved in LIBELIUM’s examination of the Product. If the Product is found upon examination by LIBELIUM to be conforming, Customer/OEM Customer shall bear shipping costs incurred in returning the Product.
